Marin Science Seminar presents

The Neurological Processes of Alcohol Addiction
with Aasma Syyed, M.D. Ph.D.

A one-hour multimedia presentation for Marin Middle and High School Students

Wednesday, February 4th, 2009
7:30 – 8:30 pm
Terra Linda High School, Room 207
320 Albion Way, San Rafael, CA 94903

Dr. Syyed’s presentation will focus on the genetics of alcohol addiction and the neurological effects of alcoholism. Marin Science Seminar sessions are geared to high school and motivated, interested middle school students. Each session includes information on how the speaker got into their field, their training, an area of expertise, and then a question and answer period.
